

REMARKS

The presently pending office action apparently was meant for another application, and was directed to the present application in error.

In a telephonic interview with the examiner on January 17 2007, the examiner confirmed that the office action was in error and would be withdrawn.

Accordingly, applicant believes that nothing further needs to be done with respect to the presently pending office action, that the examiner will cancel the presently pending office action, and that the examiner will issue a new communication properly directed to the present application.

Respectfully submitted,

SHELDON MAK ROSE & ANDERSON
